Convention #33 LOGO CONTEST

Put your skills and creativity to work and design a *logo* for our upcoming convention in Nanaimo April 2026.

We want to put this logo on T-shirts, Merchandise, Mugs, Posters, a Banner.... and are looking for something fun, that stands out, is recovery related, indicates that it's being held on Vancouver Island and has one of the NA logos on it.

There are 3 Areas of NA on the island...North, Central & South and we're all working together to put on the BC Regional Convention #33. But we need your help! Join in, share your skills, have fun!!

Before designing your logo, please read the Fellowship Intellectual Property Trust (FIPT) & NA Logo Style Guidelines on NA.ORG to make sure it meets all requirements e.g. no Cultural appropriation we aren't using something that has a copyright or trademark...
