### Convention Information

We need to get the word out about our convention happening in April, then help guest find their way around town once they're here! At the event, you would work with a team of volunteers to help members with their questions in regards to the convention and help with information on the local area ... where to go, eat, visit, what to see and how to get there... *If you have a working knowledge of the Traditions, are organized, have good communication skills, a willingness to be a part of and love reaching out, we'd love to have you on our team!*
